(BCE = Before Common Era)

450,000 BCE - Nibiru's atmosphere erodes. Alalu is deposed by Anu and flees to Earth. Alalu discovers gold on Earth that can be used to protect Nibiru's atmosphere.

445,000 BCE - Enki, son of Anu, lands on Earth and establishes Eridu (Earth Station 1). He plans to extract gold from the waters of the Persian Gulf.

430,000 BCE - More Anunnaki arrive on Earth, including Enki's half-sister, Chief Medical Officer Ninhursag.

416,000 BCE - Gold production falters. Anu arrives on Earth with Enlil, his heir apparent. (Enlil is possibly also known as Yahweh.) They decide to mine for gold in South Africa. Enlil is to command Earth Mission. Enki goes to Africa. Alalu's grandson challenges Anu.

400,000 BCE - Seven sites exist in southern Mesopotamia (modern Syria and Iraq). The Spaceport is at Sippar, Mission Control Center is at Nippur and a metallurgical center is at Shuruppak. Ore is shipped in from Africa, refined and sent to orbiters manned by the Igigi (also Igegee). The refined metal is transferred into spaceships and taken to Nibiru.

380,000 BCE - Alalu's grandson and the Igigi try to take over Earth. The followers of Enlil win the War of the Olden Gods.

300,000 BCE - The Annunaki workers refuse to mine for gold. Enki and Ninhursag create new, primitive workers. Enlil bring the workers to Edin in Mesopotamia, where they are given the ability to procreate and multiply.

200,000 BCE - New Ice Age period

100,000 BCE - The Earth warms up again. The Annunaki / Nephilim intermarry with the daughters of Man. Enlil becomes upset.

75,000 BCE - A new Ice Age begins. Many types of Man roam the Earth, including the Cro-Magnon.

49,000 BCE - Enki and Ninhursag choose human / Annunaki crossbreeds to rule in Shuruppak. Enlil plots to kill all humans.

13,000 BCE - Enlil knows that Nibiru's passage will cause immense tidal waves. He keeps the impending calamity secret from humans.

11,000 BCE - Enki instructs Ziusudra (Babylon) / Noah (Bible) to build an ark. The Deluge / Great Flood takes place. Survivors begin planting in the highlands. Enki domesticates animals for humans.

10,500 BCE - Noah's descendants are allowed to inhabit 3 regions. Enlil's son Ninurta takes Mesopotamia. Enki claims the Nile Valley and Egypt. The Annunaki retain the Sinai Peninsula to build a spaceport. The control center for the spaceport will be on Mount Moriah / future Jerusalem. Is this why Jerusalem is being pushed as the next big international city?

9780 BCE - Enki's son Ra / Marduk is born. Enki divides Egypt between Osiris and Seth.

9330 BCE - Seth kills and dismembers Osiris and takes over the Nile Valley.

8970 BCE - The son of Osiris, Horus, begins the First Pyramid War. Seth flees to Asia. Seth seizes the Sinai Peninsula and Canaan.

8670 BCE - Enki's descendants control all of the space facilities. The followers of Enlil begin the Second Pyramid War. Ninurta's side wins and he takes the advanced technology out of the Great Pyramid. Ninhursag, half-sister of Enki and Enlil, leads the peace negotiations. The rulership of Egypt goes from Ra / Marduk to Thoth. Heliopolis is built as a spaceport.

8500 BCE - The Annunaki establish spaceports, including one at Jericho.

7400 BCE - Demigods rule over Egypt. The Neolithic Period begins.

3800 BCE - Sumeria is established. The Annunaki reestablish Eridu and Nippur. Anu visits Earth and Ur / Uruk / Erech is built in his honor. Anu dedicates the temple at Uruk to his daughter Inanna / Ishtar.

3760 BCE - Human men are allowed to become kings. Kish is the first capital under the protection of Ninurta. The modern calendar begins at Nippur. Civilization blossoms in Sumeria.

3450 BCE - Nannar -Sin (possibly also known as Allah) takes over Sumeria. Marduk proclaims that Babylon is the Gateway of the Gods. The Tower of Babel incident occurs. The Annunaki confuse the languages of men. Ra / Marduk returns to Egypt and deposes Thoth. Dumuzi is captured and accidentally killed. Marduk is imprisoned in the Great Pyramid but later escapes.

3100 BCE - The first Egyptian Pharaoh is installed in Memphis.

2900 BCE - Uruk / Erech takes over Sumeria. Inanna establishes the civilization at the Indus Valley.

2650 BCE - The royal capital of Sumeria shifts. Enlil becomes angry with humans again.

2371 BCE - Inanna falls in love with Sharru-Kin, or Sargon of Akkad. His capital city is Agaide / Akkad.

2316 BCE - Aiming to rule the four regions, Sargon removes sacred soil from Babylon. Marduk and Inanna start fighting again. Marduk's brother Nergal travels from South Africa to Babylon and persuades Marduk to leave.

2291 BCE - Nannar-Sin / Allah takes over Akkad. Directed by Inanna, he goes into the Sinai Peninsula and invades Egypt.

2255 BCE - Inanna takes over Mesopotamia. The Annunaki obliterate Akkad. Inanna flees. Sumer and Akkad are occupied by foreign troops loyal to Enlil and Ninurta.

2220 BCE - Sumeria flourishes under the rulers at Lagash. Thoth builds a ziggurat for Ninurta.

2193 BCE - Terah, the father of Abraham, is born in Nippur to a priestly / royal family.

2180 BCE - Egypt is divided. The followers of Ra / Marduk take the south (upper Egypt), while Pharaohs rule the north (lower Egypt).

2123 BCE - Abraham is born in Nippur.

2113 BCE - Enlil entrusts Shem to Nannar. Ur is declared the new capital. Ur-Nammu is named Protector of Nippur. Terah liaisons with the royal court at Ur.

2096 BCE - Ur-Nammu, the king of Nippur, dies in battle. Terah leaves for Harran.

2095 BCE - Shulgi ascends to the throne of Ur. Inanna seduces him. He gives Larsa to the Elamites in exchange for their military loyalty.

2080 BCE - Southern princes from Thebes, loyal to Ra / Marduk, push north.

2055 BCE - Shulgi sends Elamites to quell Canaan. The Elamites reach Sinai Peninsula and its spaceport.

2048 BCE - Shulgi dies. Marduk moves into the land of the Hittites. Abraham takes a corps of cavalry into southern Canaan.

2047 BCE - Amar-Sin (Amraphel in the Bible) becomes king of Ur. Abraham goes into Egypt to gather more troops.

2041 BCE - Under the orders of Inanna, Amar-Sin attacks Canaan and the Sinai. Abraham blocks the gateway to the spaceport.

2038 BCE - Shu-Sin replaces Amar-Sin as king of Ur, as Ur disintegrates.

2029 BCE - Ibbi-Sin replaces Shu-Sin.

2024 BCE - Marduk invades Sumeria and becomes king of Babylon. Wars rage on in Mesopotamia. Nippur's Holy of Holies is defiled. Enlil demands that Marduk be punished, but Enki opposes. Enki's son Nergal sides with Enlil. The Canaanites try to take the spaceport, until the Anunnaki approve the use of nuclear weapons. Nergal and Ninurta destroy the spaceport and the Canaanite cities.

2023 BCE - Radioactive clouds reach Sumeria and devastate those lands. Abraham begets Isaac at one hundred years old.
